Are you interested in learning how to prune grape vines? Then you won’t want to miss the Finger Lakes Grape Program’s pruning class and hands-on demonstration. There will be a brief indoor session with plenty of time to get familiarized with proper techniques and ask any questions you may have. Then we will go outside and all attendees will have the opportunity to prune vines on three different training systems.

Please remember to dress for the weather and bring your own pruning shears.

Dates: December 5th or March 6th

Time: 9 a.m.—noon

Cost: $25 per person

Instructor: Mike Colizzi
Viticulture Community Educator
Finger Lakes Grape Program
