

finger lakes grape program

Pruning Workshop

- ◆ Interested in learning how to prune grapevines? You won't want to miss the Finger Lakes Grape Program's pruning class and hands on demonstration.
- ◆ There will be a brief indoor session to get familiarized with proper techniques and ask any questions you may have.
- ◆ After the indoor session, there will be ample time outside in our Teaching and Demonstration Vineyard to practice what you've learned.
- ◆ All attendees will have the opportunity to prune vines on three different training systems with guidance from Cooperative Extension educators.

When: Friday, March 10th

Time: 1:00 PM to 4:00 PM

**Where: Teaching and Demonstration Vineyard
1020 Anthony Road, Penn Yan, NY 14527**

Please bring warm clothing and your own pruning shears.

**Cornell University
Cooperative Extension
Finger Lakes Grape Program**

**P Y G A R
TOOLS FOR PROFESSIONALS**

Instruction available in Spanish for portions of the workshop.
