We have set up a constant recurring link - it will stay the same week to week and is included below.

Calling in:

**iPhone Only:** Click the telephone number for the iPhone one-tap, circled in red. Next, a call button will pop up. It is shown in figure one, also circled in red. Click that pop-up on your iPhone to dial in.

**Other Phones:** +1 646 876 9923  After dialing in you'll be prompted for a meeting ID. The meeting ID is 526 583 831.

**Zoom In: Smart Phone**

On any smartphone you can install a zoom app. Once you have the app, you can click the link provided in the e-mail invitation and you'll be connected to the meeting. The link will prompt the app to open automatically, if it is already installed. This will provide you with an audio and video connection. We think we'll be better able to communicate in small groups if you connect this way, but it does require an app. Also, if you have limited data on your phone, please make sure you're connected to wi-fi as Zoom is fairly data intensive. Here is the link for Monday 10-12:

**Zoom In: To use a computer** make sure you have a microphone. Many desktops do not. Simply click the link to connect. You'll automatically be prompted to install zoom software to connect to the meeting. This might take some time so feel free to do it before the scheduled meeting. You can use the same link as a smartphone to connect.
