Nov 2024

Grants and Programs

Available for the Lake Erie Region Grape & Wine Industry

Cornell Cooperative Extension Lake Erie Regional Grape Program

Please review each grants Request for Proposals (RFP) before applying to understand all program details and what is required of the applicant. Contact Andrew Holden, Business Managment Educator, with any questions at azh6192@psu.edu or by calling 716-640-2656. If you know of a grant that wasn't listed and would benifit the industry, please contact Andrew. Grant info was compiled in November of 2024 and is subject to change.

Funder: The New York Farm Viability Institute Details: All grantees must be NYS G&C prior to reimbursement for their project. Grant applications will be more competitive if the applicant is already enrolled or actively in the process of becoming part of the NYS Grown & Certified program. That is why we are encouraging all potential applicants to take a look NOW at the NYS Grown & Certified program and determine if it is a good fit for their business. Amount: Grant sizes will range from \$20,000 to \$250,000 for infrastructure and technology projects. A 10% match (cash, grant, loan) will be required for all projects For: Growers, Wineries Availability: The Request for Proposals for Infrastructure and Technology projects will be released no later than November 25. Applications must be submitted by February 28, 2025. More Info: https://nyfvi.org/new-york-state-grown-certified-itrd-grant-program-2024copy/ Grant: Resilient Food Systems Infrastructure Program - Equipment-Only Grant New York Department of Agriculture and Markets, USDA Details: This competitive opportunity is focused on funding equipment for the aggregation, processing, manufacturing, storing, transporting, wholesaling, or distribution of agricultural food products (excluding meat and poultry products). Amount: Eligible applicants may request awards in the amount of \$10,000 - \$100,000. No match is required for Equipment-Only Grants. For: Growers, Wineries Availability: Anticipated release in 2025 - check back for more information soon More Info: https://agriculture.ny.gov/resilient-food-systems-infrastructure-program New York State Beginning Farmer Competitive Grant Program The New York Farm Viability Institute Details: Farmers who have not operated a farm for more than 10 years and who will materially and substantially participate in operating the farm within the	Grant:	New York State Grown & Certified ITRD Grant Program
